Science of Being Secrets:27 Lessons To Change Your Life by Baron Eugene Fersen Info

I understand your dilemma. You've read all the books. You've bought the tapes and cd's. You've gone to the seminars. Heck you even have the t-shirt. BUT YOU STILL DON'T KNOW "THE SECRET"! You probably ask yourself: Why am I not where I want to be in my life? Why don't I have more energy? Why don't I have more money? All fair questions. And you know what? It's not your fault. You've been searching and you've gotten a lot of answers, some of them good ones. But many of them were only partial answers. If your current personal development book or program is only about the mind, beware. Something is being left out. For centuries, people just like you have been searching for the truth. And some were able to find what they were looking for by studying with a Baron in the 1920's. My name is Cara Yowell and I love old metaphysical works, and the recent interest in the Law of Attraction including The Secret. It's great stuff. But I have found that people don't always have the necessary information to apply Universal Laws in their lives to see results. So what should you do? First, what if I told you I stumbled upon a long forgotten work that revolutionized my life? Some say this information was closely guarded in Europe for years, and only available to royalty and people of wealth. Since Eugene Fersen was a former Russian Royal (more about that later), Now the... [Click To See Full Detail](#)
